Dear Sir/Madam,

We hereby welcome you to our Health Centre, SHG Gezondheidscentrum Spoorwijk, located at Alberdingk Thijmstraat 85, 2524 HC The Hague.

Whenever you have a question, your first contact will be with our assistants, who can help you by phone, through email/chat or at the counter.

To make the transaction as a new patient as smooth as possible, we would like to ask you to take the following steps:

- Please fill in the registration form as detailed as possible and hand it over to our assistants.
- Contact your previous general practitioner and ask them to unsubscribe you as a patient and transfer your files to SHG Spoorwijk. We cannot register you as a new patient if you're still registered with your former general practitioner. Please make sure to have enough medication at home for this transfer period. If you have an urgent medical matter, we advise you to visit your former general practitioner first.
- Is your health insurance company located outside of the Netherlands? Then we cannot directly send a nota to your health insurance company. This means that you will need to pay after a consultation at our counter, and then send the nota to your health insurance company yourself. We unfortunately cannot accept creditcards, but we do accept debit cards or cash.
- Make a copy of your health insurance card and identification card of all the family members that you want to register and attach it to the registration form. It is possible for us to make a copy for you.

If you have any questions, please do not hesitate to ask any one of our assistants.

Kind regards,

General practitioners of SHG Gezondheidscentrum Spoorwijk
